Thanks Annie!

I don't think there are any issues in my case... it's just a guy with some cocaine in his sock. I think maybe the lawyer just wants to see if I can get chemists in? I'm not sure but I'll e-mail if I hear anything and otherwise I'll leave you on call for Wednesday and will call you if I need you.

Thanks,  
Carolyn

Hi Carolyn,

No problem. No apologies needed, I understand your situation. I just spoke with Brian in Suffolk Sup, his case may plea and my Brockton case just got continued. If you can get me on the stand on Wed, great. Don't worry, I will try to coordinate. Some of my other Superior cases may not go forward b/c of court scheduling.

You can call me on my cell [REDACTED] Is there any issues with your case? I will contact you to discuss the case. I am in Chelsea District on a HIGH PRIORITY (no plea agreement) case tomorrow. I will forward some predicate questions to you.

If you need anything, let me know.

Thanks,

Hi Annie,

I have Jose Cruz in Norfolk Superior. I saw the clerk today and they still think we will go. I really won't know until that day if we actually go though, you never know if the defendant will default or plea. Is there some way I can reach you that morning to let you know if I need you?

Also, I sent the summons for 11/5 but the trial is actually on for 11/4, I sent the summons for the next day so I could make sure to have a jury before I called you in. But it looks like your schedule is lighter on 11/4, so if we really empanel on 11/4 I could try to squeeze you in on that day.

Sorry I don't have a better idea, I wish I did too.... all I know is I have to be ready to go on 11/4.  
Thanks,  
Carolyn

Hi,

Sorry for the inconvenience. I am just trying to get a status update on my cases for next week. Are these cases still going forward? And if so, when will I be needed to testify? I will try to accommodate. If anyone needs a discovery packet, please let me know and your address.
